- Appointment at city center **at 10 am**
- Visit of the historical center of Catania passing by:

Piazza Stesicoro

Via Etnea

Piazza Università

Via dei Crociferi

Piazza San Francesco

Castello Ursino

Piazza Duomo

## Detailed description

The walk through Catania will begin in piazza Stesicoro, where you can admire the ruins of the Roman amphitheatre, which was one of the greatest in antiquity. We will then continue along via Etnea, full of baroque buildings, until we reach piazza Università. From there we will deviate towards the Alessi staircase that leads to via dei Crociferi, which is famous for all the XVI century churches, and where many films have been shot. Passing below the Benedettini arch we will arrive in San Francesco square, dominated by the church of the same name and the monument dedicated to Dusmet cardinal. We will then move on to Federico di Svevia square with the Ursino Castle. The last stop will be Piazza Duomo where we will visit the cathedral and the Town hall.
